

Dr. Pearl Malhotra

Faculty, IIM Bengaluru

Dr. Pearl Malhotra is Human resource management faculty at IIM Bengaluru. She holds a Ph.D. degree in human resource management from Indian Institute of Management, Ahmedabad. Besides that, she has a post-graduate degree in management with Personnel management and industrial relations as a specialization from Symbiosis Institute of Management Studies, Pune. Also, she holds a master's degree in labor laws and labor welfare from SIU, Pune. In addition to that, she also holds a bachelor's degree(Hons.) in Arts with Sociology as an area of study from Sri Venkateswara College, University of Delhi. The lecture fostered a holistic understanding among MBA students about the dynamics of human nature and how it impacts their decision making power. Also, the guest interaction session enabled the HR students to have a broader perspective about the various career opportunities emerging in human resource domain.
