PHOENIX 2023 (FRESHERS)

13th JULY 2023

OBJECTIVES OF THE EVENT:

Phoenix 2023, an event organized by Team Symfonia, was held to serve as a welcome note to new batches inducted into the institute. Students from both junior batches (MBA and FABM) as well as senior batches (MBA and FABM), along with faculty members, were part of it. A competition was held to recognize students for their cultural talents and provide them with a cultural gala.

MEANS AND PROCESS TO ACHIEVE THE OBJECTIVES:

Team Symfonia floated an e-mail regarding Phoenix 23' the fresher's event on the 7th of July, 2023, conveying the event flow to all the students. It also had a Google form link via which students could enroll in the competition to showcase their talent in the form of walk, talk, and much more. The form stopped accepting responses after 12 pm on the 11th of July 2023. On the day of the event, all the students and participants gathered in the auditorium. The participants had to go through three rounds in order to be declared- Best Dressed (girls and boys), Best Performance (girls and boys), and Mr. and Miss Phoenix 2023. Separate awards were given to MBA and FABM batches. A dinner feast followed this, and a DJ night was organized for all the students to enjoy and celebrate.

PROGRAM STRUCTURE / FLOW:

- One of the most awaited events of the year commenced in the auditorium, where the host addressed the audience, extending a graceful welcome to the occasion. It was followed by the lighting of the lamp as Saraswati Vandana played in the background. This proceeded with a short speech by our director addressing the students regarding the event. Subsequently, the event began with Ganesh Vandana.
- **Round 1 (walk and introduction):** The competition began with the walk and introduction round of MBA as well as FABM participants. All the participants glamorously graced the ramp in pairs and provided a brief introduction of themselves.
- After the first round, the audience was enthralled by a group dance performance by the senior batch.
- **Round 2 (Talent Round):** In the 2nd round of the competition, participants had to showcase their talents to the audience and judges within 2 minutes and 30 seconds. The audience and judges were fascinated by the participants' colossal talent pool.

- As the second round concluded, an interactive game was played to make the event more fun and engaging, uplifting the event's aura. Participants were further shortlisted for the third round after the second-round results were declared.
- Round 3 (Question and Answer round):** In the third round, the shortlisted students were called up to the stage, upon which they were presented with a bowl of chits with different questions. Participants had to select a chit randomly and answer the question appropriately.
- Before the announcement of the results, the auditorium was graced with a soulful band performance by seniors and juniors.
- After the conclusion of the band performance, the competition progressed to its final stage, i.e., results announcement. The Director, along with faculty members, were invited on stage to award the front-runners of the event.
- The event concluded with a vote of thanks to the audience. It was followed by the dinner program and DJ session, organized on the mess's first floor. It all ended on a mesmerizing note for the students as well as the faculty members.
